PRIMARY EXAMINER

Allowable Subject Matter

1. Claims 24 – 31 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or suggest a motor vehicle access control system comprising two transponders, each transponder performing the following steps upon receiving an interrogation signal from a vehicle transceiver: (a) generating a subcarrier frequency via its subcarrier frequency generator and generating a carrier frequency via its carrier frequency generator, wherein the first transponder's subcarrier frequency differs from that of the second transponder; (b) modulating transponder identification and a command onto the subcarrier frequency via its first modulator; (c) modulating the carrier frequency with the modulated subcarrier frequency via its second modulator, wherein both transponders use the same carrier frequency; and (d) transmitting the coded signal to the vehicle transceiver.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
